

CREATING A SOCIALLY JUST, INCLUSIVE AND AGE FRIENDLY CITY

City of Newcastle

with

HUNTER AGEING ALLIANCE

Thursday, 5 August 2021

9.15 -1pm

Fort Scratchley Function Centre

Followed by a light lunch 1-1.45pm

The **City of Newcastle Council** is working on a new social strategy, the **Local Social**. This strategy will set Newcastle's aspirations for a socially just and inclusive city and will guide our collaborations for social change over the next decade. This period also coincides with the World Health Organisation **Decade of Healthy Ageing**.

Together, the **City of Newcastle** and the **Hunter Ageing Alliance** invite you to join us to discuss priorities and plans to help Newcastle become a socially just, inclusive and age-friendly community.

In this meeting, we will consider five main priorities and the opportunities for our community:

- Overcoming social isolation and creating connections
- Affordable, age-friendly housing
- Employment, education, and community participation opportunities past age 50
- Education, training and employment opportunities in aged-care sector and other services.
- Services for older people and how to access them (including, but not limited to formal aged care)

We will also be joined by colleagues from the **City of Unley** who will share their experiences of creating an age friendly, connected community in South Australia.

PLACES ARE LIMITED AND WILL FILL FAST

Please RSVP: E: contact@hunterageingalliance.com W: <https://hunterageingalliance.com/>

- ◇ Yes, I will be attending the meeting
- ◇ Yes, I will be staying for lunch
- ◇ I have specific dietary requirements:
 - Vegetarian
 - Vegan
 - Gluten Free
 - Other

"It's what's inside ... that's Newcastle"
ARTISTS TURN1 & OLAS ONE

This is your place, too.

Join the conversation and help us shape an important new framework for the City of Newcastle, the Local Social Strategy.

The strategy is about treating all people with respect, addressing the barriers to inclusion and equal opportunity, encouraging community participation, and strengthening community wellbeing.
